Longer Draw

Use this chart for stop compatibility for bow

Note:

- To increase draw length, let-off, valley length, stop will be put in 1 numerical position less than the module setting
- To decrease draw length, let-off, valley length, stop will be put in same position as module
- This chart is a place to start, different combinations may be used to achieve different effects of stops
- Please report an error or omission to Luck-Stops.com
